

WICKWIRE, P.C.
PROJECT ENGINEER

Position Description:

WICKWIRE, P.C. (WW), is seeking an energetic and self-motivated Civil, Mechanical, or Environmental Engineering Project Engineer to expand our engineering practice. WW is a consulting infrastructure solutions company specializing in long range planning, project financing, and construction inspections. WW provides a variety of site and infrastructure design, permitting, and construction oversight to municipal and private clients. Our services include design, long range planning, and construction administration for municipal water distribution systems, wastewater conveyance systems, recreation projects, and construction inspection.

Duties/Responsibilities:

- Provides general support to Staff Engineers
- Verifies and tests assigned metrics on projects.
- Ensures compliance with applicable company and client quality requirements in all assigned programs, functions, products, and areas.
- Identifies and reports problems with specific processes or products to senior engineers.
- Development of design drawings, specifications, and bid documents
- Performing site plan design, infrastructure design support, drainage plans, and the drafting and calculations that are typically associated with this work.
- Assists senior engineers in the development of new methods to improve product quality and process efficacy and efficiency.
- Performs other related duties as assigned.

Education and Experience:

- Bachelor of Science degree in Civil, Mechanical, or Environmental Engineering.
- E.I.T. or Registered Professional Engineer or ability to obtain either.
- Experience desired is 0-5 years.

Required Skills/Abilities:

- Strong problem solving skills and ability to work in a fast-paced environment.
- Experience in AutoCAD, Civil 3D or other drafting platforms.
- Driver's license and reliable personal transportation.
- General computer literacy, with working proficiency in Microsoft Word & Excel, and Bluebeam.
- A general aptitude and desire to work in a flexible office environment where there will be a variety of duties.
- Excellent written and verbal communication skills.

Physical Requirements:

- Prolonged periods of sitting at a desk and working on a computer.
- Ability to work standing for extended periods and lift 40 lbs.
- Must be able to travel to various jobs sites and traverse locations to obtain necessary data.

Candidates with more experience and/or skills are welcome to apply and may receive consideration for positions beyond this level.

WICKWIRE, P.C. is an Equal Opportunity Employer

Job Type: Full-time

Pay: Competitive Compensation based on experience (\$55-\$75k)

Benefits:

- 401(k) with match
- Flexible schedule
- Health, Dental, and Vision Insurance
- STD/LTD and Life Insurance
- Paid time off and Holiday pay
