

CITY OF IRON RIVER 2022 STREET IMPROVEMENTS

PROJECT

PROJECT DESCRIPTION

WICKWIRE, P.C. provided Professional Engineering Services for the reconstruction of a portion of Genesee Street in the City of Iron River's Business District. This project entailed asphalt and concrete pavement removal, new road base, reconstructing 2,900 linear feet of roadway, 1,950 linear feet of concrete, sidewalk, and storm sewer improvements. The project was funded locally utilizing the City's Street funds. WICKWIRE's services included construction administration and construction observation.
